The term also includes lands held by the United States in trust for an Indian corporation chartered under section 17 of the Act of June 18, 1934 (48 Stat. 984; 25 U.S.C. § 476).

Tribal laws means the body of law that governs land and activities under the jurisdiction of a tribe, including ordinances and other enactments by the tribe, tribal court rulings, and tribal common law.

§ 162.102 What land, or interests in land, are subject to these regulations?

(a) These regulations apply to Indian land and Government land, including any tract in which an interest is owned by an individual Indian or tribe in trust or restricted status.

(b) Where a life estate and remainder interest are both owned in trust or restricted status, the life estate and remainder interest must both be leased under these regulations, unless the lease is for less than one year in duration. Unless otherwise provided by the document creating the life estate or by agreement, rent payable under the lease must be paid to the life tenant under part 179 of this chapter.

(c) In approving a lease under these regulations, we will not lease any fee interest in Indian land, nor will we collect rent on behalf of any fee owners. The leasing of the trust and restricted interests of the Indian landowners will not be conditioned on a lease having been obtained from the owners of any fee interests. Where all of the trust or restricted interests in a tract are subject to a life estate held in fee status, we will approve a lease of the remainder interests only if such action is necessary to preserve the value of the land or protect the interests of the Indian landowners.

(d) These regulations do not apply to tribal land that is leased under a corporate charter issued by us pursuant to 25 U.S.C. § 477, or under a special act of Congress authorizing leases without our approval under certain conditions, except to the extent that the authorizing statutes require us to enforce such leases on behalf of the Indian landowners.

(e) To the extent any regulations in this part conflict with the Indian Land Consolidation Act Amendments of 2000, Public Law 106–462, the provisions of that Act will govern.

§ 162.103 What types of land use agreements are covered by these regulations?

(a) These regulations cover leases that authorize the possession of Indian land. These regulations do not apply to:

(1) Mineral leases, prospecting permits, or mineral development agreements, as covered by parts 211, 212 and 225 of this chapter and similar parts specific to particular tribes;

(2) Grazing permits, as covered by part 166 of this chapter and similar

parts specific parts specific to particular tribes;

(3) Timber contracts, as covered by part 163 of this chapter;

(4) Management contracts, joint venture agreements, or other encumbrances of tribal land, as covered by 25 U.S.C. §81, as amended;

(5) Leases of water rights associated with Indian land, except to the extent the use of such water rights is incorporated in a lease of the land itself; and

(6) Easements or rights-of-way, as covered by part 169 of this chapter.

(b) Where appropriate, the regulations in this part that specifically refer to leases will apply to permits that authorize the temporary, non-possessory use of Indian land or Government land, not including:

(1) Land assignments and similar instruments authorizing temporary uses by tribal members, in accordance with tribal laws or custom; and

(2) Trader's licenses issued under part 140 of this chapter.

§ 162.104 When is a lease needed to authorize possession of Indian Land?

(a) An Indian landowner who owns 100% of the trust or restricted interests in a tract may take possession without a lease or any other prior authorization from us.

(b) An Indian landowner of a fractional interest in a tract must obtain a lease of the other trust and restricted interests in the tract, under these regulations, unless the Indian co-owners have given the landowner's permission to take or continue in possession without a lease.

(c) A parent or guardian of a minor child who owns 100% of the trust interests in the land may take possession without a lease. We may require that the parent or guardian provide evidence of a direct benefit to the minor child. When the child reaches the age of majority, a lease must be obtained under these regulations to authorize continued possession.

(d) Any other person or legal entity, including an independent legal entity owned and operated by a tribe, must obtain a lease under these regulations before taking possession.

§ 162.105 Can tracts with different Indian landowners be unitized for leasing purposes?

(a) A lease negotiated by Indian landowners may cover more than one tract of Indian land, but the minimum consent requirements for leases granted by Indian landowners under subparts B through D of this part will apply to each tract separately. We may combine multiple tracts into a unit for leases negotiated or advertised by us, if we determine that unitization is in the Indian landowners' best interests and consistent with the efficient administration of the land.

(b) Unless otherwise provided in the lease, the rent or other consideration derived from a unitized lease will be distributed based on the size of each landowner's interest in proportion to the acreage within the entire unit.

§ 162.106 What will BIA do if possession is taken without an approved lease or other proper authorization?

(a) If a lease is required, and possession is taken without a lease by a party other than an Indian landowner of the tract, we will treat the unauthorized use as a trespass. Unless we have reason to believe that the party in possession is engaged in negotiations with the Indian landowners to obtain a lease, we will take action to recover possession on behalf of the Indian landowners, and pursue any additional remedies available under applicable law.

(b) Where a trespass involves Indian agricultural land, we will also assess civil penalties and costs under part 166, subpart I, of this chapter.

§ 162.107 What are BIA's objectives in granting or approving leases?

(a) We will assist Indian landowners in leasing their land, either through negotiations or advertisement. In reviewing a negotiated lease for approval, we will defer to the landowners' determination that the lease is in their best interest, to the maximum extent possible. In granting a lease on the landowners' behalf, we will obtain a fair annual rental and attempt to ensure (through proper notice) that the use of the land is consistent with the
